

A man stands on a sandy beach, blowing into a conch shell. He is wearing a red sarong with a black patterned hem, a green grass skirt, and a green leaf lei. He is barefoot. To his right is a large, thick tree trunk. In the background, the ocean waves are breaking under a cloudy sky.

 TRAVAASA®  
EXPERIENTIAL RESORTS

Hāna, Maui

# To give destination travelers a memory to glow by through local, authentic aha experiences.

Travaasa® Hāna, Maui, might be a place, but it was built on a dream of what travel could and should be. It is the best of what happens during travel. The way a journey is supposed to be. The discovery of a place, of people, of yourself, of the stories that define your life. We invite you to join us on the journey and bring home your own memories. It all starts at Kauhului Maui Airport when you embark on 52-mile ride to Travaasa on the famous Hāna Highway.

## But First, Let's Talk About Those Aha Experiences.

What will your aha experience be? The scents of hibiscus, plumeria and ginger? The sight of the sun rising on a midnight blue Pacific? The feeling of your horse steadily, carefully carrying you down a volcano after seeing one of Maui's many hidden waterfalls? The sound of waves crashing against a black sand beach? The sweetness of what a mango *really* tastes like?

Or maybe it will be when you are casting your net into Hāna Bay experiencing a time-honored Hawaiian tradition of throw net

fishing. Or creating your own leis. Learning the ukulele (which actually means "jumping flea" in Hawaiian). Or going on a *holo-holo* by bike around Hāna Town. It might even come in our award-winning spa during a body-healing *Lomilomi* massage—a treatment unique to Hawaii.

We don't know when it will come. But we do know that it will. And whether it is an AHA or an aahhhhaaa moment, it will be unlike anything else you've experienced. And this will be a journey you'll never forget.
